

THE FOREMOST® CLAIMS TEAM

Here's how the award-winning Foremost Claims Team¹ delivers A Better Insurance Experience®

CLAIMS REPRESENTATIVE TRAINING

Claims Representatives go through extensive training where they learn the importance of **soft skills** and participate in learning cohorts.

Our **Claims Learning Labs are equipped with actual things we insure** for hands-on Claims Representative training. These include mobile homes, boats and motorcycles.

With multiple generations of housing construction types, Claims Representatives **learn to evaluate many different styles of homes.**

Our Claims app, virtual reality setups and in-person Learning Labs play an important role.

Claims Representatives handle claims either virtually or by field inspection depending on the type of claim.

EXCELLENT CUSTOMER SERVICE

Foremost employs over **2,400 trained Claims Professionals** throughout the U.S.

Representatives from our Claims Team and Catastrophe Response Team are ready to assist customers **24/7** with compassionate care.

Between fires, tornadoes, freeze events and hurricanes **in 2023, our Claims Teams have handled over 60,000 catastrophe claims.**

CATASTROPHE RESPONSE TEAM

Catastrophe Response Team members remain proactive and prepared. When an urgent situation occurs, **they're ready to deploy the same day** to better serve customers.

Our **Mobile Claims Centers (MCCs) include four large response vehicles and four Customer Care trailers.**

Multiple Catastrophe Response Teams operate from these MCCs, where they support customers after natural disasters. Visit Foremost.com/Severe-Events to take a tour of one of our MCCs!

The **team members support those affected by natural disasters** by:

- Filing Claims
- Answering Insurance Questions
- Providing Free Access to Internet Services and Communication Methods
